

THELEN

Thelen Organics takes cumbersome yard waste and turns it into beneficial compost. Our strict receiving guidelines and superior scientific process allow us to achieve the highest quality compost available. We're confident that no other compost material will achieve this quality standard for the same value.

ORGANICS

Combined with quality aggregate, Thelen Organics produces a full menu of Specialty Blends. Because all materials involved are available onsite, Thelen Organics can produce these blends at a lower cost and pass the savings onto customers.

YARD WASTE

We accept all types of yard waste including:

- ◆ Landscape trimmings
- ◆ Leaves
- ◆ Grass
- ◆ Brush (up to 4" diameter and 6' length)

Our compost is sold by the yard, and is available year-round for pickup or delivery.
